In Memoriam

"Two roads converged in a wood; I chose the less traveled." These words from Frost spoken by our late beloved principal at the graduation of the Class of 1966 could well serve as a meaningful summary for the entirety of Mr. Ingraham's adult life.

Active, courageous, seeking always new ideas and new impressions, he will be remembered as a man of patience, fairness, and humility. From the beginnings of our association with him on an academic level, to the more endearing memories of our personal relations, it is certain that the characteristic of *individuality* stood out always.

To the fond remembrance of him as a person, a man, an individual, we, the Staff of Warrior '67 and the Class of 1967, dedicate this Yearbook.

One difference between the formally educated man and the "self-made" man is that one has the benefit of a motivating environment and the other labors without the assistance of this nourishing climate. The physical school plant, the faculty, varying methods of instruction, textbooks, and the existing curriculum are merely contributing factors to this total environment and are not the proximate causes of education since every truly educated man is "self-educated."

As in every field of endeavor, significant results are usually directly proportionate to the amount of willingly expended effort. Little effort is equated to poor results. Enquire of yourself to what degree have you expended true effort during your secondary school years and if this self-analysis is found wanting, resolve and endeavor to attain that level of achievement in life of which you are capable. Your self-education is in its embryonic stage and will mature only with your constant application and your dedication of effort toward the attainment of desired goals.

Class of 1967 remember this, it is not what you are at eighteen, it is what you become that is truly significant.

J. David Nuttall
Principal

Now that you have completed your high school education, you are about to take a place of more grave responsibility in life. The education you received at B.M.H.S. should provide a firm foundation for meeting this new responsibility.

May I wish you success, health, and happiness in whatever lies ahead. For those of you who will be asked to serve, may you fulfill your obligations in an honorable way.

John D. O'Brien
Vice-Principal

Congratulations graduating class of 1967 on receiving your high school diplomas. I sincerely wish everyone the very best of health and success in the years ahead. Continue to be good citizens, friendly and cooperative, and you will always get along in life.

William V. Archambault
Vice-Principal

Mrs. Lyons, Miss Dole, and Mrs. Smith

I am pleased to have this opportunity to congratulate the Class of 1967 in achieving the successful completion of four years of High School. I sincerely hope that you will be successful in your field of endeavor.
Frederick C. Riel
Superintendent of Schools

It has been said that a camel is a horse put together by a committee. The 1967 graduate of Billerica Memorial High School created through the cooperative effort of parents, teachers and administrators proves that this joint effort is a tremendous success.

Congratulations to each and every member of the graduating class. The standards of my day are no longer applicable. Today's pupil is required to work harder, study longer, and possess far greater knowledge than ever before. You have been given the finest education ever offered in the Town of Billerica. By successfully completing this task you have proven your ability to meet the increased demands of the sixties. Such success is worthy of only the highest congratulations.

As for the future may God bless you with good fortune and if I can add an old Irish saying "May you live as long as you want, and never want as long as you live."
William H. Flaherty, Jr.
Assistant Superintendent of Schools

Our next production is . . .

Listen, son . . .

But . . .

Attention please!

What!

Your rank in class is . . .

Not you again!

What do you mean you forget?

PRINCI

How swiftly time passes? Four short years ago, B.M.H.S. opened its doors to a new class of Freshmen, comprised of distinct individuals each concerned with his own problems. As graduation nears for this class, it has become a unit of which we can be proud. The Senior Class of 1967 has set a good example for future classes. Rarely do we find a class as a whole so cooperative, so determined to work toward a common goal, so willing to consider others. It was my pleasure to be advisor to such a class. Those who fear for the future or our nation have much to learn from this group.

I would be remiss in my duties, if I didn't leave you with a last word of advice. Don't lose the enthusiasm that you demonstrated. It brought you far as a class. It will serve you as well in your life's choice. A good idea never matures without it.

Traditionally classes shower thanks either earned or unearned on their advisor; I wish as advisor to shower thanks upon you.

Mr. Perron
Advisor

It is infrequently that a class has the unique opportunity to work with a man as interested and dedicated as you have been to the task of guiding the class of 1967 through these past four years. We should now like to take this occasion to extend to you in our Yearbook our deepest and most sincere gratitude for your unselfish and untiring devotion to the Class. Your quiet inspiration and unflagging patience have served as a model to all of those who have had the privilege and pleasure of working with you.

GIRLS' VARSITY BASKETBALL TEAM

The 1966-67 girls' varsity basketball concluded its season with an overall record of 14 wins and 5 losses and finished second in the Merrimack Valley Conference with a 6-1 record. Billerica conducted the Small High Schools Girls' Basketball Tournament, formerly held in Ashby, and was Runner-up with undefeated Acton-Boxborough defeating us in the final minutes of play, 35-32. *Captain* Lorraine Bavis and Joanne Baroni were selected to the All-Tourney Team and Joanne Baroni was the recipient of the Tournament's Most Valuable Player Award. Although not individually recognized, additional credit should be given for outstanding playing to seniors Barbara Mulligan on offense, and Patricia Price on defense, and sophomores Pat Robertson and Rose Brantley on defense not only throughout the tournament but also throughout the season. In addition to Lorraine Bavis, Patti Price, Barbara Mulligan and Joanne Baroni, other seniors who will be truly missed are Eileen Hynes, Bobby Turner, Kathy Cooney and last but not least, our very efficient manager, Jackie Braley. While not a championship season, it was relatively successful, and most enjoyable.

Cross Country

This year, the Varsity Cross Country Team again did an excellent job. The Harriers led by *Captain* Walter Belville and *Co-Captain* Paul Belville carried the team to a record of eight wins and one loss in dual meet competition. During the whole season, injuries hampered the team; but they still managed to keep their winning streak going to forty-five straight dual meets (in three seasons) only to lose to Chelmsford in the last race of the season because of an injury to a key runner.

Varsity team members were Walter Belville (Sr.), Steve Latham (Jr.), Joe Bradford (Soph.), Paul Belville (Jr.), John McFarland (Sr.), Ed Smith (Jr.), Bob Gallagher (Jr.), Roger Hubert (Jr.), Keith Dixon (Jr.), George Roberts (Sr.), Joe Miller (Manager).

The Junior Varsity also had a successful season, winning eight dual meets and losing one.

A Freshman Division was entered in the Catholic Memorial invitational meet in Boston, and Billerica was the recipient of the first place award. The Freshman Harriers ran against twenty other schools (140 runners competing). Gary Andrews came in 8th place; Bud Aroni came in 9th place; Dean Rivet, (19th); Billy Burke, (35th); Stanley McDougall, (41st); Andy Micozzi, (66th); Art Montgomery, (78th).

Joseph Bradford also won a trophy coming in 6th place in the Sophomore Division.

The team, losing only three runners out of twenty-two, is looking forward to another good season next year.

Fred Latham and Alan Arakelian were elected *Co-captains* for the 1966 Track season. Fred and Alan performed well for the Indians during the season—Alan winning the outstanding track performer award. Fred Latham went through the season undefeated in his event, the 880 (quarter mile).

The Track team didn't come into its own until the latter part of the season. After amassing a 3-7 record, the trackmen placed fifth in the Merrimack Valley Championship.

The 1966 Varsity Field Hockey team with Patricia Price, *Captain,* and Mrs. Winters, *Coach,* compiled an acceptable record of 4 wins, 1 tie, and 3 losses. The highlight of the season was defeating the previously undefeated Methuen team by a score of 3-1. Leading scorer for the team was Lorraine Bavis with 7 goals with Roberta Turner, Laurel Canty, Margaret Wheaton, and Brenda Dickinson contributing to the remaining scoring efforts. Seniors leaving the squad are Patricia Price, Lorraine Bavis, Roberta Turner, and Eileen Hynes. Returning letter winners for next year's squad will be Angela Carbone, *Captain--elect,* Brenda Dickinson, Joanne Olsen, Laurel Canty, Kathleen McCarthy, Patricia Robertson, and Margaret Wheaton. Other returning members will be Debra Ouellette, Louise Beede, and Rose Brantley.

The Junior Varsity squad coached by Miss Foley compiled the even record of 2 wins, 2 ties, and 2 losses. From their past playing experiences many of these girls will complete the 1967 Varsity roster.

Listen, dear Students, and you shall hear
Of your BMHS history year by year.
On the ninth of September in Sixty-three
We entered, beset with uncertainty
And perhaps an accompanying tinge of fear.
(Enough of poetic induction,
Suffice it to thank H. Longfellow
For the format of this introduction.)

I

Finally settled in our position
As the Freshman Class of '67,
We chose our set of officers,
Proceeding to fill our class coffers,
Under the guiding hand of faculty advice
And the leadership of Patti Price;
With an able second-in-command at the tiller
In the form of V. P. Judy Miller,
Assisted by Janet Barrett as Secretary
And Lorraine Jenkins, guardian of our fledgling Treasury.
Attendants at the Christmas Dance of the G.A.A.
And our own Freshman Dance (Over the Rainbow)
Each contributed in no small way
To cause our class power to grow and grow.

II

After our first 'high school' summer we returned once more,
To again elect officers, the same as before,
Excepting one added complement,
In Kathy Cooney, our new found Vice-President.
With a year of experience already behind,
We quickly made up our collective mind
To enlarge the scope of our finances -
By industriously selling raffle chances;
With class prestige become reknown
Through a lovely G.A.A. dance attendant and a dance, 'Downtown.'
We were then concerned with sundry things,
Such as paying dues and ordering rings.

III

With summer again passed, we returned to our places,
Amongst the same teachers to be put through our paces.
Our officers once more took up the reigns,
But this time the crew contained two Lorraines.

A new Secretary, Bavis by name,
Joined the others to play the intricate game
Of student government,
And they proceeded to solve the predicament
Of various monetary considerations
By selling pickles and cup-cakes, and even carnations.
Our class rings arrived, much to our content
Along with victory in the Ashby Tournament.
Early in spring we commenced to slosh
Through the suds and puddles of our great Car Wash.
Then came a time for full class recreation
With the commencement of our Prom decoration.
"Three Coins in a Fountain" came off with finesse,
Followed by the induction of the N.H.S.
With the conclusion of our third stretch of work drawing near,
We awaited the time of our senior year.

IV

The year began with a great upset
In the structure of our leadership quartet.
A masculine viewpoint entered this set-up
With Jerry Baker Secretary, and President, Gary Bishop.
Mr. Perron, our advisor, with the officer's mind pool,
Chose as our class gift a Peace Corps School.
To raise the funds, the class knew its duty,
All working in a candy sale and a supper of spaghetti.
Class pictures arrived with a vast assortment of smiles and frowns,
And all were measured for caps and gowns.
When our last set of mid-years had passed away,
Work commenced on "The Mouse That Roared," our senior play.
And safe within their little nook
A small staff worked ahead towards a great yearbook.
And then the Senior Prom became the hub
Of our activity, its scene the Andover Country Club.

Conclusion

Ultimately we all await with elation
That final day of graduation,
When each will leave what he has known
And walk out into the world alone,
Equipped with the knowledge he has learned,
To find the future he has earned,
To live his life, perhaps in pain, perhaps in self-made heaven—
God bless you, Class of '67!

It's Academic

On February 3, 1967, three students from Billerica Memorial High competed against students from Framington High and a school from Roxbury on "It's Academic," a weekly program featuring competition among area high schools in the field of academic knowledge. Framingham was the winner; Billerica, second. Malcolm Wain, Stephen Roop, and David Robinson were selected as contestants after an exhaustive series of tests and interviews. Mrs. Ahern and Miss Splaine conducted the preparation for the program, with Mr. Nuttall making a final selection of candidates upon recommendation. David Robinson was elected team captain; alternates were William Brantley, Mary Kelly, and Craig Knowles.
